To whom it may concern,

I am writing to highly recommend Clara Verena Brito Battesini for a position as a Software Developer. I have had the privilege of working closely with Clara for nearly 4 years, both in the capacity of a Software Developer and as a Tech Leader.

Clara has consistently demonstrated outstanding performance and expertise in areas related to Javascript, Typescript, and React. Her knowledge and proficiency in these technologies have greatly contributed to the success of our development projects.

In addition to her technical skills, I had the opportunity to collaborate with Clara when she held the position of Head of Operations at a software house. In this role, Clara exhibited remarkable managerial abilities by efficiently overseeing the allocation of resources across multiple projects. Her adaptability to diverse scenarios and exceptional leadership qualities were instrumental in the successful execution of various initiatives.

I wholeheartedly recommend Clara for any role that requires technical excellence and/or strong leadership. She is a valuable asset to any team or organization. If you have any further questions or require additional information, please feel free to contact me at dygufa@gmail.com.

Sincerely,
Rodrigo Araujo.
